

***NATIONAL NETWORK  
FOR  
SAFE AND DRUG-FREE SCHOOLS AND COMMUNITIES (SDFSC)***

October 3, 1996

Dear Comprehensive Regional Assistance Center Director or SDFSC Coordinator:

The National Network for Safe and Drug-Free Schools and Communities (SDFSC) is off to a good start for 1996-1997. Two meetings in Washington DC and one in Tucson, Arizona have yielded enthusiastic participation from states across the nation and the territories. The Network is anxious for all states to become actively involved. (For those of you who are hearing about the Network for the first time, please read the By-Laws included to learn about participating members).

Included in this packet are the following items for your information:

- \* Minutes from past meetings
- \* Regional contact list

and, for your consideration,

- \* Draft By-Laws
- \* Nomination form

Please review the by-laws and send or fax any feedback and nomination forms to me by November 1, 1996. If you should have any questions about the Network, please contact me or one of the regional representatives.

Thank you for your support,

Cathleen Olson - Interim Chair  
Arizona Department of Education  
1535 W. Jefferson Phoenix, AZ 85007
