Dear Bill:

Enclosed are materials relating to the National Network for Safe and Drug-Free Schools and Communities (SDFSC). I have included the information that was sent to all the SEAs and Governors representatives receiving SDFSC funding. We are planning to have "mini" meetings at each of the IASA regional conferences and to meet at the CADCA Conference in Washington DC in November.

Would you be available to spend an hour or so with the group at the CADCA conference in November? I would very much like to plan the meeting around a time that would be convenient to you. The conference dates are November 13 - 16 and there is a time scheduled for groups to get together on the 13th from 6:00 to 7:30 p.m. Another opportune time would be from 12:00 - 3:15 p.m. on November 14, 1996 during "Appointments On The Hill." Perhaps, our group could visit your offices and conduct the meeting there. Please let me know your thoughts on this matter.

If you have questions please call me at (602) 542-8712. Thank you for your time and I hope to hear from you soon.

Sincerely,

Cathleen Olson, SDFSC Specialist
